

United Building Centers Purchases Plum Building Systems (Hawarden, IA)

(Winona, MN, May 5, 2000)

United Building Centers has purchased Plum Building Systems in Hawarden, Iowa, from Great Plains Supply. Plum Building Systems is a manufacturer and marketer of wood building components, primarily trusses.

UBC assumed ownership effective April 10, 2000. Manager of the new Hawarden UBC location will be Jaycent Reimnitz, along with District Manager Doug Ossefoort overseeing operations. The facility's new name will be "TimberRoots--a division of UBC."
